SNORE

Dr. A. Kayalvizhi

*Assistant Professor of English,
Salem Sowdeswari College,
Salem, Tamil Nadu*

=====***=====

Disturbs with discordant noise
During needed tranquil repose!

Unceremoniously interrupts
While delighting in dreams!

Even a soft-spoken human
In action sounds like demon!

Hellish torment for hearer!
Embarrassment for snorer!

Conflict causer for couples
Inflicting torture on spouse!

Many suffer from this malady,
Mankind is yet to find remedy!

Is it defect of God in creation
Or damnation for Adam's sin!!!
