Bangles, bangles, beautiful bangles!  
Graceful is the hand where it dangles!

With traditional attire aptly it matches!  
For stylish suit designed with patches!

Catchy colours allure aesthetic eyes!  
Appeal to vision with multiple shades!

Shiningly it appears in outward texture!  
Surface is adorned with twinkling glitter!

Making is pleasant for creative hands!  
Soothing outlet for some artistic minds!

Yet, also available in affordable materials!
