**GOD'S BROKEN HEARTS**

Shards of blood,  
Flow within a cage.  
To break the silence of the beat.  
That rage to break the mould.  
That's how a vagrant's heart beats.  
God loves a wandering heart.  
Between the world and Him.  
The constant question.  
In need of bread or bread from Above.  
In between worldly chores and silence.  
Constant musing where the Above rests.  
Illusion and time,  
Dancing in the swiftness of a second's glance.  
Eternity in every now.  
Their hearts carry the bread of life.  
From Above renewed every second.  
Salt of the Earth, Bread from Above.  
Broken people are full.
