=====***=====

A cook who swelters in hearth to gratify
demands of diverse taste buds of family!

A maid who renders relentless service
to keep house in proper maintenance!

A nurse who soberly attends all needs
of persistently depending sickly oldies!

A tutor who shows stern face to children
to make them champions in education!

Such roles are imposed as responsibility;
if performed not, blamed as unwomanly!

Although offers all kinds of free services,
she's to beg for money to fulfill her needs!

Expected from her many qualities of slave;
yet nobly she's named as queen of house!!!
