TEMPEST OF THOUGHTS

Radhuna Mohan

M.A., NET (English)

Kollam, Kerala, India

=====***=====

All that pain, choking my neck,

I can't move a bit.

I can barely see my views, dipped in tears,

lost in the moment.

My voice is breaking, weeping alone in the

tempest of thoughts,

tangled in the past and uncertain about the future,

estranged in the dilemmas of life.

A change of attitude, from kindness to a

cold-hearted being,

I've become a detached soul.
