O mighty grim reaper

Come and get me from this pain

Hidden deep inside killing me every time

Broken soul from worldly taunts

Became an emotionless doll...

O mighty king of hell

Read my sin all loud and clear

Put my soul into a deep slumber

Into the depths of hell

Don't let the heaven know

O mighty goddess of life

Let my soul disappear

Not a chance to be born again

Let my soul sink into the depths of the darkness

Broken soul with no emotion

And pain to be detained.
