DIVORCE

Dr. A. Kayalvizhi

Tamil Nadu, India

Marriages of mismatched minds are
consequence of choice of elders
or blindness to flaws of beloved.

In eternal journey together
disparity reveals, proximity pains
nuptial tie begins to strangle.

Yet separation sound sun thinkable
due to fear of disgrace of society
and off spring-caring necessity.

Society is embodiment of imperfections.
Does its opinion deserve importance?

Children are safer with single parent
than viewing violent verbal combat.

If it's the only way for attaining peace,
what's wrong with getting a divorce ?
