

## WHISPERS BEYOND THE WINDOW

*Dr. Gaurav Sood*

*Assistant Professor, Department of English, Government Degree College, Nirmand,  
Dist. Kullu, Himachal Pradesh, India*

The bluest blue of morning skies,  
a painted hush where silence flies.  
The deodars in emerald grace  
stand like sentinels in nature's embrace.

The tiny birds, like living notes,  
chirp melodies near my garden's throat.  
And singing streams, with silver feet,  
dance down stones in a rhythmic beat.

The world I dream beyond my door  
tells tales the soul has heard before,  
of a hidden hand, both wise and wild,  
that shaped the stars and nature's child.
