PITY HATERS

Dr. A. Kayalvizhi

Associate Professor of English, Salem Sowdeswari College (for Women), Salem, Tamil Nadu, India

Haters are poor guys in fact
Hatred is indeed defective trait

Love is innate human attribute
Converse emotion evinces fault

Inability to see happiness's presence
Instigates this quality of repulsion

Driven by discontent and jealousy,
They perceive fellows with animosity

They find outer world blameful
Unaware of having attitude foul

These pathetic victims of negativity
Trudge in life with constant hostility

All they crucially need is introspection
That is the only means for salvation
